The National Library has recently acquired for its Chinese collection several large sets of primary sources:

#### Electronic resources:

- *Online full-text China Academics Journals (CAJ) databases* [nla.gov.au/nla.cat-vn3098353](http://nla.gov.au/nla.cat-vn3098353).

In addition to the existing CAJ databases, NLA subscribed to the other six databases to complement the existing holdings of the CAJ databases. As a result, NLA registered readers can offsite access to the following 10 series of CAJ databases:

- (A) Mathematics/ Physics/ Mechanics/ Astronomy
- (B) Chemistry/ Metallurgy/ Environment/ Mine Industry
- (C) Architecture/ Energy/ Traffic/ Electromechanics, etc
- (D) Agriculture
- (E) Medicine & Public Health
- (F) Literature/ History/ Philosophy
- (G) Politics/ Military Affairs/ Law
- (H) Education & Social Sciences
- (I) Electronic Technology & Information Science
- (J) Economics & Management

- *Policing the Shanghai International Settlement, 1894-1945.* [nla.gov.au/nla.cat-vn4972747](http://nla.gov.au/nla.cat-vn4972747).

This database represents a large portion of the archives of the British-run municipal police force based in Shanghai's former international settlement during 1894-1945.

#### Multi-volume sets:

- Tang Song Yuan Ming Qing Zang shi shi liao hui bian = 唐宋元明清藏事史料彙編.  
[nla.gov.au/nla.cat-vn4968006](http://nla.gov.au/nla.cat-vn4968006)
- Yuenan Han wen yan xing wen xian ji cheng = 越南漢文燕行文獻集成(越南所藏編)
