

EAST ASIAN LIBRARY RESOURCES GROUP OF AUSTRALIA

Newsletter No. 58 (July 2011)

New eResource from the NLA - *Duxiu*

Di Pin Ouyang 歐陽迪頻

Chinese Unit, National Library of Australia

Duxiu provides an extremely powerful search tool for Chinese publications covering a vast number of academic books and journals from 1930 to the present. *Duxiu* database provides access to more than 3 million Chinese bibliographic entries and 2 million full text scholarly resources in all subjects and formats, such as eBooks, journals, newspapers, theses, web pages, conference proceedings and video clips. The database also contains some English language resources.
